

Dinh Giap Thai – Java Backend Developer

Phone: 0369 738 441
Email: giapthaidinh@gmail.com
Github: <https://github.com/ThaiDinhGiap>
Date of Birth: November 1, 2004

CAREER OBJECTIVE

Seeking an opportunity in a forward-thinking organization where I can cultivate my knowledge of Software Development to develop and maintain high-quality software applications.

PROJECTS

Land Auction - Group Project

Technical: Java, Spring Boot, Spring Data JPA, Spring Security, SQL Server, HTML, CSS, JavaScript

Responsible for:

- Using WebSocket and Firebase Realtime Database for real-time chat, live auction features.
- Implemented Server-Sent Events (SSE) and Web Push Notifications to develop notification feature.
- Utilized AJAX to enhance real-time interactivity across multiple features, enabling dynamic content updates without page reloads.
- Utilized Spring Security for user authentication and authorization. Contributed to requirements gathering, database design, testing, and front-end development.

GitHub: https://github.com/ThaiDinhGiap/SWP391_LandAuctionProject

Travel Booking - Individual Project

Technical: Java, HTML, CSS, JavaScript, SQL Server

Developed web applications using Java Servlet and JSP, incorporating AJAX for asynchronous functionality and implementing Gmail-based OTP.

EDUCATION

FPT University

Bachelor of Software Engineering

Sep 2022 - Present

Expected Graduation - Apr 2026

- GPA: 8.9/10.0
- Courses: OOP in Java, Hibernate & Spring Framework, Data Structures and Algorithms, etc.

ADDITIONAL INFORMATION

- Soft skills: Collaboration, continuous learning, team-work, critical-thinking, communication
- Technical Skills:
 - Programming Language: Java, JavaScript, C, C++
 - Database: SQL Server, MySQL
 - Real-time Communication (WebSocket, SSE), AJAX, JSON, HTML, CSS, Bootstrap, Git
 - Framework: Spring ecosystem (Spring Framework, Spring Boot, Spring MVC), Hibernate, JavaFX
 - Familiar with testing practices, including writing test cases, unit testing, and automated testing.
- English: Completed multiple courses focusing on all four skills. Quiet good at listening and speaking abilities, with good comprehension of materials.
